

## **Maggie Andresen is a HOPE Champion**

HOPE Cape Town welcomes Maggie Andresen as our HOPE Champion and wish her well with her efforts to promote HOPE Cape Town in the USA. Maggie Andresen is an award winning student of photojournalism currently studying at Temple University in Philadelphia, Pennsylvania, United States of America. She has worked and been published in Philadelphia and New York area publications. This summer, Maggie was lucky enough to work in South Africa doing documentary work with AIDS orphans and HIV positive mothers. She aspires to one day work internationally as a documentary photographer. Maggie has committed to supporting the work that HOPE Cape Town does and to spread our message of hope throughout the USA.
